SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The Examiner's attention is respectfully directed to the enclosed documents listed on the accompanying form PTO-1449. This Information Disclosure Statement supplements the Information Disclosure Statement filed on June 15, 2000 and is being filed to correct inadvertent typographical errors made in the original Information Disclosure Statement.

In that Information Disclosure Statement, U.S. Patent No. 4,599,31 was listed, however the proper reference should have been U.S. Patent No. 4,599,231. Also, International Application WO 095/12675 was listed, however the proper reference is WO 95/12676.

This information disclosure is not a representation that the cited documents are considered pertinent, or that they are indeed prior art.

Accordingly, it is respectfully requested that the Examiner consider and make of record the documents cited herewith and that a copy of the enclosed form PTO-1449 be initialed by the Examiner and returned to the undersigned.

As this Information Disclosure Statement supplements the Information Disclosure Statement filed on June 15, 2000, which was originally filed prior to the mailing of the first Office Action, it is believed that no fee is required for entry of this paper. However, the Commissioner is hereby authorized to charge any such fee, or credit any overpayment to Deposit Account 50-0230.

Respectfully submitted,
